## Configuration item naming conventions

Based on kebab case, the following table establishes the naming conventions for the configuration items in the repository.

Item	Convention	Path
Slideshow	<number>-<name>.pdf	isw-2025-2c-g14/class-material/slideshows/
Bibliography	<name>.pdf	isw-2025-2c-g14/class-material/bibliography/<unit>/
Fieldwork instructions	instructions.pdf	isw-2025-2c-g14/group-work/fieldwork/
Graded fieldwork submissions	submission.<ext>	isw-2025-2c-g14/group-work/fieldwork/graded/<number>/
Ungraded fieldwork submissions	submission.<ext>	isw-2025-2c-g14/group-work/fieldwork/ungraded/<number>/
Solved fieldwork exercises	solved-fieldwork-exercises.pdf	isw-2025-2c-g14/group-work/fieldwork/
Template	<name>.<ext>	isw-2025-2c-g14/templates/

Group research projects guidelines	guidelines.pdf	isw-2025-2c-g14/group-work/research-projects/
Group research project submissions	submission.<ext>	isw-2025-2c-g14/group-work/research-project/<number>/
Course presentation	presentation.pdf	isw-2025-2c-g14/other/
Course program	program.pdf	isw-2025-2c-g14/other/
Course schedule	schedule.xlsx	isw-2025-2c-g14/other/
Recorded classes	recorded-classes.xlsx	isw-2025-2c-g14/other/
Midterm exam date and topics	date-and-topics.pdf	isw-2025-2c-g14/midterm-exams/<order>/

## Baseline criteria

The configuration items that make up the baseline of this project are to be determined by contributors of the group after every passed midterm exam and completed and passed research projects and fieldwork. This is given that feedback will be provided by experts on the matter. CIs in the baseline will be tagged in the repository.
